

**NATOMA TECHNOLOGIES SELECTED TO BE INCLUDED ON THE REFRESHED  
PRE-QUALIFIED VENDOR POOL FOR DIGITAL SERVICES – AGILE  
DEVELOPMENT LIST**

(April 17, 2017) Sacramento CA – Sacramento-based technology experts Natoma Technologies, Inc. was recently selected to be included on the State of California’s refreshed PQVP DS-AD List.

Inclusion as a Service Provider on the PQVP DS-AD List enables Natoma Technologies to participate in procurements to provide State of California Agencies and Departments with user-centric design and agile software development services. To qualify and be selected, Natoma Technologies developed a working prototype demonstrating the use of five or more open source tools, deployed to a cloud environment using containers (Docker) with continuous integration and continuous monitoring, all while using agile development processes and GitHub for source control.

**About Natoma Technologies**

Founded in 1998, Natoma Technologies is a technical consulting firm and system integrator focused solely on public sector with headquarters in Sacramento, CA and a federal office in Arlington, VA. Since their founding in 1998, state and federal agencies have trusted Natoma Technologies to deliver information technology solutions that control costs, improve efficiency, and help them work smarter. Natoma Technologies is committed to delivering projects 100% on time and on budget—every time. For additional information, visit [www.natomatech.com](http://www.natomatech.com).
